**Extra Activity:** Evangelism is telling others about Jesus. You do this with your family and through your church. Place a world map or a globe in a prominent place and pray for a different country each time you pray. Obtain some small stickers to place on the countries prayed for. You may want to use a map of your city or state.

Participate in some family activity where you tell others about Jesus. Write down or draw a picture of what you did and the date.
