

ALABAMA'S 2025 SPEAKERS' TOURNAMENT LEAFLET

A ministry of Sunday School & Discipleship provided by gifts of Alabama Baptists through the Cooperative Program

BLUE CYCLE

WHAT IS THE YOUTH SPEAKERS' TOURNAMENT

The Youth Speakers' Tournament is a ministry for youth in grades 10-12 and is designed to . . .

- Encourage growth toward Christ likeness.
- Challenge youth to seriously think about their commitment to Christ.
- Help teenagers express their faith verbally.
- Stimulate spiritual growth as teenagers engage in research, study, prayer, preparation and practice of a speech.
- Help youth develop poise and confidence.
- Help teenagers develop the skills to articulate truth in a way that people will hear and understand.
- Help youth be ready to stand for Christ in their churches, at school, in their work places, and in their communities.

If a church does not have a discipleship ministry, students may participate in the tournament with the help of an adult church member. Speakers in the tournament are judged on composition and delivery of their speeches. This newsletter will help leaders and youth as speeches are prepared.

Youth Speakers Tournament demands serious time and effort, but the pay-off is tremendous! It is exciting to watch the spiritual growth that occurs as youth go through the process of researching, studying, and preparing his/her speech. Encourage youth to pray for God's guidance as they choose a speech topic and consider how to develop it.

Today's speakers will be more prepared to stand for Christ and their Christian beliefs. Evidence of this will be seen as they interact with others at church, at school, at work, and in their communities. What a joy it is to see teenagers develop the skills and have the desire to share their faith with others in a way that people can hear and understand!

JUDGING THE YOUTH SPEAKERS' TOURNAMENT

There should be three judges for the Youth Speakers Tournament. Content/composition and delivery are the two categories used by the judges as a basis for judging the speakers. Participants will be scored on the following 10 areas on a scale of **1 to 10: (2=poor; 10=excellent)**. GUIDE FOR PARTICIPANTS

Preparing the Speech

- ◆ Each speaker must compose his/her own speech. Research should include the Bible and other sources. With proper credit, it is permissible to use quotations from any source. In the written speech, quoted material should be included in a "Works Cited" page. When the speech is delivered, the speaker should indicate that the material used is being quoted, but he is not required to give the complete source of the quotation.
- ◆ Each speaker is required to present a typed, **double-spaced** manuscript of his speech to the Bible Drill caller of each regional tournament.
- ◆ Each speaker will have four to six minutes. Speeches shorter or longer will be penalized two points per 10 seconds (up to 10 points) for failure to stay within the time allotment.
- ◆ Speakers will be judged on the basis of 100 points. Content/composition will count 50 percent, and delivery will count 50 percent.
- ◆ Use an adequate number of quotes from your sources. Three to five scripture references and quotes is acceptable.
- ◆ Give proper credit for all scripture resources.
- ◆ Reference all your sources in the body of your speech with a superscript number at the end of the quote or reference. Identify each reference with the corresponding numbers in your Works Cited.
- ◆ The Chicago Style format is preferred. For assistance with the Chicago Style, visit owl.purdue.edu.
- ◆ A speaker is only disqualified for major reasons, such as not being of the eligible age, using a speech that is not his own, or not being a member of a Southern Baptist Church.

- ◆ Using notes is discouraged and will be taken into consideration by the judges.

Helpful Hints During Preparation

- ◆ Well in advance, thoughtfully choose your subject. Consider the audience. Will they be interested in the subject? What will they know about the subject? What will be their attitude toward the subject?
- ◆ Observe and talk with others.
- ◆ Consult your church, school, and public libraries for resource material. Several resources should be used.
- ◆ Determine your aim or objective. Do you want to interest, inform, convince, or persuade? Select words that express exactly what you mean. Include quotations, questions, illustrations, comparisons, and contrasts.
- ◆ Read extensively before you begin the construction of your speech. Take notes on what you read. (**Caution:** *Think about the subject before you start reading, or you will be overwhelmed with more ideas than you can use.*)
- ◆ In one sentence, state the main purpose or idea.
- ◆ Outline your speech. Ask yourself questions about the subject. These questions could form the outline of your speech. Consider the introduction, the body, and the conclusion.
- ◆ Ask your pastor, speech, or English teacher to read and listen to your speech and make suggestions.
- ◆ Practice your speech until you say it with confidence and with natural expression.

HELPFUL HINTS FOR A SUCCESSFUL SPEECH

1. Get plenty of rest the night before the speech.
2. Drink plenty of water to avoid dehydration, and eat a nutritious meal that day.
3. Assume a relaxed, but upright posture and use only hand gestures and facial expressions which are natural.
4. Appear calm and relaxed. Avoid nervous mannerisms such as hands in pockets, twisting hands, shifting weight from one foot to the other, and so forth.
5. Maintain eye contact with the audience.
6. Speak loudly enough for the audience to hear you.
7. Speak slowly enough so the audience can comfortably comprehend your speech.
8. Articulate each word clearly, but don't over enunciate where words come out sounding odd.
9. Present the speech fluently and confidently.
10. Enjoy yourself! This is a special time for you to share what God has put on your heart.
