- Items Needed: 4 hand held mirrors, 2 Dry Erase Markers, Before and After Sheet
- Preparation: Tape “Before” Sheet onto the back of 2 mirrors and the “After” sheet on the remaining 2 mirrors.
- Directions: Have kids pair up. Two pairs will face off. Each pair will have a set of mirrors with “Before” and “After” taped on the backs. With the mirrors face down, call out a book of the Bible. Without talking, kids must pick up their mirror paddle and write the book before or the book after depending on the mirror they have. Hold the mirrors facing themselves when they are done. When you say “reveal” they turn their mirrors to show their answer. If the pair got it right they stay. If it is wrong they go the end of the line. If both are right the first one that got it done wins, if they are both wrong they both go to the end of the line.
